

Business Compliance Overview

Alexis Flooring Limited

Smas Worksafe accreditation has been achieved following an assessment of the company's Health & Safety documentation, and compared against the SSIP Core Criteria, which set out the standards required to achieve accreditation.

This company has achieved certification by meeting the required standards on the below criteria:

- ✓ Health & Safety policy and organisation for Health & Safety
- ✓ Arrangements
- ✓ Competent advice - corporate and construction related
- ✓ Individual qualifications and experience
- ✓ Monitoring, audit and review
- ✓ Workforce involvement
- ✓ Accident reporting and enforcement action; follow up investigation
- ✓ Sub-contracting /consulting procedures (if applicable)
- ✓ Risk assessment leading to a safe system of work
- ✓ Co-operating with others and co-ordinating your work with that of other contractors
- ✓ Welfare provision

Some of our trusted clients:

As part of your Smas Worksafe accreditation your company details have been placed on the **Smas Worksafe Client Portal** which allows all client users to view your trade and contact details and contact you for tender opportunities as they see fit.

Quality Management

The company providing this evidence has completed the online PAS91 question set, which includes a section on Quality Management. The company is provided with two choices – either to provide evidence of a valid, in-date ISO accreditation (9001), or to answer 6 questions as per the PAS91 framework which describes the approach through sharing of policies and other documentation.

The evidence provided herein will be dependent on how the company has responded, as per the above options.

Q1: Do you hold a valid certificate demonstrating that your Policy and Arrangements for Quality Management have been audited and approved by a third party/independent organisation?	A1: No Evidence:
Q2: Do you have a policy and organization for quality management?	A2: Yes Evidence: "ALEXIS FLOORING PQP & ITP Sterling Place New Malden.pdf"
Q3: Do you have arrangements for ensuring that your quality management, including the quality of construction output and general performance, is effective in reducing/ preventing incidents of sub-standard delivery?	A3: Located in previous documentation Evidence:
Q4: Do you have arrangements for providing your workforce with quality-related training and information appropriate to the type of work for which your organization is likely to bid?	A4: Located in previous documentation Evidence:
Q5: Do you have procedures for periodically reviewing, correcting and improving quality performance?	A5: Located in previous documentation Evidence:
Q6: Do you have arrangements for ensuring that your own suppliers apply quality management measures that are appropriate to the work for which they are being engaged?	A6: Located in previous documentation Evidence:
